

All About The Lhasa Apso

All About The Lhasa Apso

by Juliette Cunliffe

ISBN 0-7207-1888-0

Publisher: Pelham Books -
Stephen Greene Press
London - England

This is a much needed book about a charming little Tibetan dog, many of which were kept in the monasteries of Tibet. The author traces the early history of the breed and writes about the early dogs and breeders who helped to establish them in Britain. Care of the Apso through its life is covered fully and the author includes chapters on coat care, breeding, whelping, show training and illness. The book is fully illustrated.
