For anyone who has ever dreamed of being able to really talk to their dogs -- and "hear" what they have to say...

Akin to Monty Roberts's *The Man Who Listens to Horses* and going light-years beyond *The Hidden Life of Dogs* or any training manual, Suzanne Clothier takes a radical new direction in understanding our life with dogs...and our mutual love. Drawing on a lifetime of experience with dogs, this nationally renowned dog trainer brings us astonishing new lessons about our animals -- and ourselves.

Gently, with intelligence, humor, and unfailing patience, Suzanne Clothier guides us to truly comprehend another creature's mind and heart.
