

## Funday Sunnies

Fine Art by Jeff Leedy

Well, Funday Sunnies fans, it has been an amazing time for Elaine and me.

---

The big news for us is the opening of our franchise/license agreement with Dena and Michael Raitman in Breckenridge, Co.

It will be called

**ART ON A WHIM**  
featuring  
**ART THAT MAKES YOU LAUGH®.**

They will be carrying all of my best prints and some original art work.

Their location is in the Town Square Mall at 100 N. Main St. in Breckenridge. They open right after Thanksgiving and we are very excited about this new humor gallery. If you are going to Breckenridge to ski (and it's a great place to ski) or bike and hike in the summer, please stop in and say hi.

Their slogan is: "So much fun you'll forget you came to ski."

---

As you may recall, our Sausalito gallery is closing Dec. 31 and our **RETIREMENT SALE** is in full force. Recently, several of my originals have sold due to a big discount in the prices. You can see them on our website at [www.artthatmakesyoulaugh.com](http://www.artthatmakesyoulaugh.com). Just click on GALLERY and then click on ORIGINAL ART. You can see that some have SOLD but still many are available.

### REMINDER:

Humor is a great gift for Christmas or Chanukah for those hard to buy for family types and even good friends. I always try to make many of my prints affordable-they start at \$32 unframed- so that everyone has a chance to own some or give as a gift. My mission is to spread the gift of laughter that God presented to me.

We have some new images available for you:

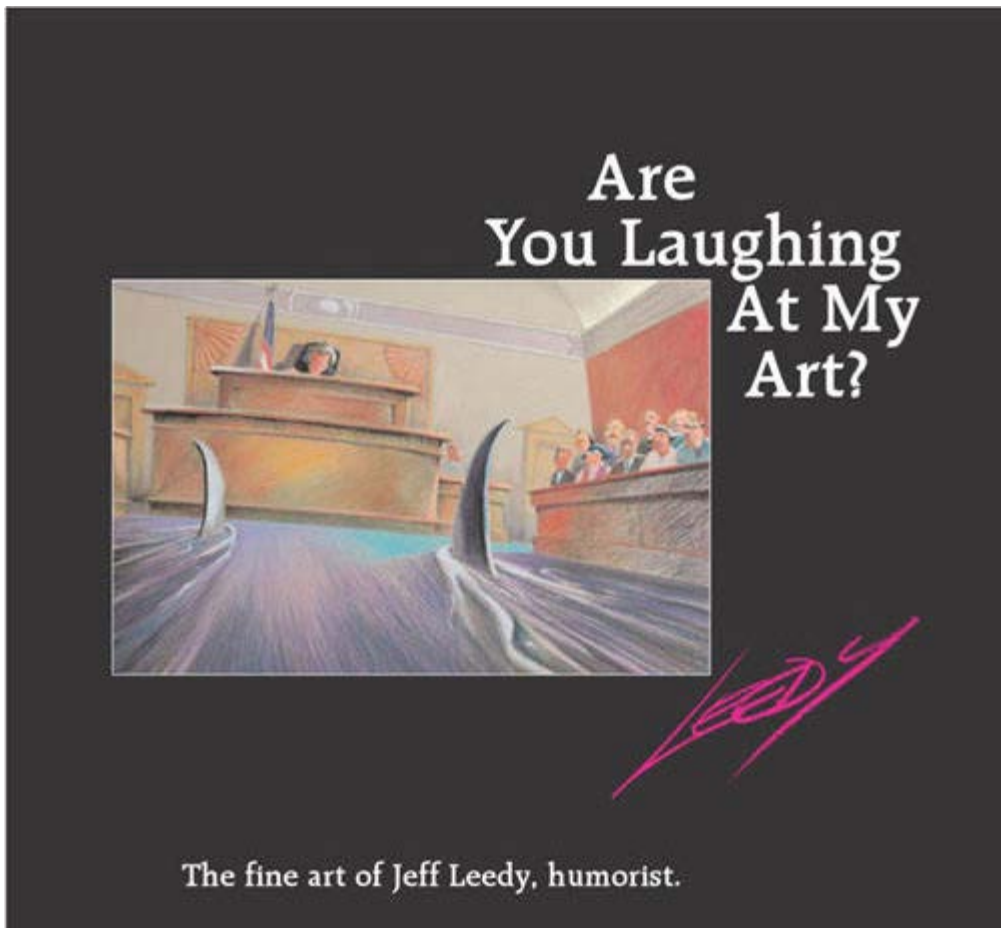

"I Tried Reality. It Just Didn't Work For Me."  
(now in 9 x 12 @ \$32 unframed-know someone like this?)

"Put Me In Coach!"

(now in 9 x 12 @ \$32 unframed-know someone like this?)

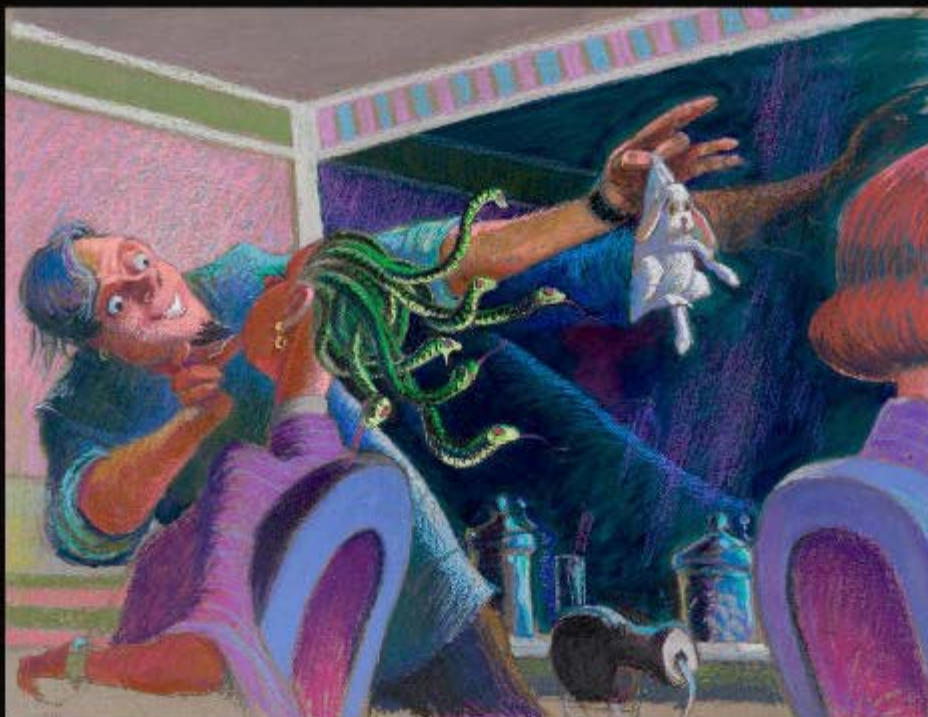

And of course don't forget my book as a Christmas gift for those hard to buy for folks:

Soft cover @ \$45 and Hard cover w/sleeve, ltd. edition @ \$100.

And now for your Funday Sunnies laugh for late October (hmmm?)

"Teasing Medusa's Hair."
