*The Other End of the Leash* shares a revolutionary, new perspective on our relationship with dogs, focusing on *our* behavior in comparison with that of dogs. An applied animal behaviorist and dog trainer with more than twenty years experience, Dr. Patricia McConnell looks at humans as just another interesting species, and muses about why we behave the way we do around our dogs, how dogs might interpret our behavior, and how to interact with our dogs in ways that bring out the best in our four-legged friends.
